

SECTION V: BIBLIOGRAPHY

A. Books and Reports

- A. D. Little, Inc., Oil Spill Treating Agents, Selection Based on Environmental Factors, 1970, API Publication #4068.
- American Petroleum Institute. Oil Spill Control Survey for Onshore and Offshore Facilities, March 1970. Prepared by Crossley Surveys, Inc. API Report #4023.
- American Institute of Mining, Metallurgical, and Petroleum Engineers, Preprints, 1967 Offshore Technology Conference, Vol. I.
- American Institute of Mining, Metallurgical, and Petroleum Engineers, Preprints, 1969 Offshore Technology Conference, Vol. II.
- American Petroleum Institute. Proceedings of Joint Conference on Prevention and Control of Oil Spills, 1971. Library of Congress Catalog Card #74-124324.
- American Petroleum Institute. Proceedings, Joint Conference on Prevention and Control of Oil Spills, 1967. Library of Congress Catalog Card #74-124324.
- American Petroleum Institute. Report on Air and Water Conservation Expenditures of the Petroleum Industry in the U.S., 1966-70, prepared by Crossley Surveys, Inc.
- American Petroleum Institute. The Petroleum Industry Oil Spill Control Survey for Onshore and Offshore Facilities, 1969.
- Baetsen, R. H. (Commander, USN). San Francisco Advisory Radar.
- Battelle Memorial Institute. Oil Spillage Study Literature Search and Critical Evaluation for Selections of Promising Techniques to Control and Prevent Damage, 1967, AD 666289, US Department of Commerce.
- Battelle Memorial Institute. Study of Equipment and Methods for Removing Oil from Harbor Waters. Report #CR.70.001, 1967.
- Battelle Memorial Institute. Impact of Non-Resident Travel on the Washington State Economy, 1969.
- Battelle Memorial Institute. Oil Spill Treating Agents - A Compendium, May 1970.
- Battelle Memorial Institute. Oil Spill Treating Agents: Test Procedures: Status and Recommendations, 1970.

- Battelle Memorial Institute. Review of Santa Barbara Channel Oil Pollution Incident, 1969, DAST 20.
- Beers, W. J. Analysis of World Merchant Ship Losses, 1968.
- Bell, H. S. Petroleum Transportation Handbook, McGraw-Hill, New York.
- Blumer, Max. Critique of Santa Barbara Oil Spill Study by Allan Hancock Foundation, 1971.
- Blumer, et al. Hydrocarbon Pollution of Edible Shellfish by an Oil Spill, 1970.
- Blumer, Max. Oil Contamination and the Living Resources of the Sea. Bulletin of Fish Reserve Board, Canada.
- Carthy, J. D., and Arthur, D. R., editors. Biological Effects of Oil Pollution on Littoral Communities, June 1968.
- Coast Guard. Load Line Regulations, Sub-Chapter E, 1966, CG-176.
- Coast Guard. Rules and Regulations for Cargo and Miscellaneous Vessels, Sub-Chapter I, 1962, CG-257.
- Coast Guard. Rules and Regulations for Passenger Vessels, 1962, CG-256.
- Coast Guard. Rules and Regulations for Tank Vessels, 1962, CG-123.
- Coast Guard. Seattle Coastal Region Oil and Hazardous Materials Pollution Contingency Plan, December 1, 1970.
- Code of Federal Regulations.
- Committee of Scientists on the Scientific and Technological Aspects of the Torrey Canyon Disaster, The Torrey Canyon. London: Her Majesty's Stationery Office, 1967.
- Corino, Dr. Edward R. "Chemical Gelling Agents and Dispersants." Esso Research and Engineering Company, May 20, 1970.
- Cornell, Howland, Hayes, and Merryfield. Seattle Area Oil Waste Disposal Study, 1967, Record #S 5064.0.
- Cowan, Edward. Oil on Water. The Torrey Canyon Disaster. Philadelphia/New York: Lippincott, 1968.
- Cross and Hoult. Collection of Oil Slicks, 1970. Preprint 1936.
- Cross and Hoult. Oil Booms in Tidal Currents, M. I. T.
- Defense Documentation Center. In Tank Gelations of Petrochemicals, a Report Bibliography. Search Control # 056709.
- Defense Documentation Center. Oil Spills, A Report Bibliography. Search Control # 055043.

- Defense Documentation Center. Report on In Tank Gelation of Petrochemicals, 1971. Report # CT 4865.
- Defense Documentation Center. Report on Oil Spills, 1971. Report #CT 4538.
- Department of Commerce. Tidal Current Tables, 1971, Pacific Coast of North America and Asia, 1970.
- Department of Commerce. U. S. Nautical Chart Catalog #2, Pacific Coast, 1970.
- Department of Ecology. Laws and Oil Spill Emergency Procedures.
- Department of Ecology. Water Pollution Control Laws.
- Department of the Navy. ARROW, Navships 90094-008-1010.
- Dillingham Corporation. Volume I. Systems Study of Oil Spill Cleanup Procedures - Analysis of Oil Spills and Control Materials. API Publication #4024.
- Dillingham Corporation. Volume II. Systems Study of Oil Spill Cleanup Procedures - Proposed Industry Response Plan. API Publication #4025.
- Dillon, E. S. Ship Design Aspects of Oil Pollution Abatement, 1971, US Department of Commerce.
- Dolan, C. W., I. F. Savage, & R. C. Clark, Jr. Environmental Statement on the Proposed Leasing of Puget Sound Shorelands and Beds of Navigable Waters for Oil and Gas Exploration, 1970.
- Dominion Bureau of Statistics. Shipping Report, 1967.
- Harris and Ilfrey. Drilling in 1300 Feet of Water - Santa Barbara Channel, California, from 1/70 Journal of Petroleum Technology.
- Harris, R. G. Surface Winds over Puget Sound and the Straits of Juan de Fuca and their Oceanographic Effects. University of Washington, 1954 (unpublished MS thesis).
- Henrickson, D. L., and R. E. Hughs, Jr. Travel Activity in Washington State. Department of Commerce and Economic Development, 1969.
- Honeywell Marine Systems Center. A Proposed Automated Marine Traffic Advisory System for Puget Sound, 6 November 1970. Doc. # K03/70.
- Hoult, D. P. Containment and Collection Devices for Oil Slicks, M. I. T.
- Hoult, David P. Containment of Oil Spills by Physical and Air Barriers, 1970. PB 192629, US Department of Commerce.

- Hoult, David. Oil on the Sea, 1969.
- Hoult, et al. The Spreading and Containment of Oil Slicks, M. I. T.
- Hoult and Suchon. The Spread of Oil in a Channel, 1970.
- Kolpack, R. L., Editor. Biographical and Oceanographical Survey of the Santa Barbara Channel Oil Spill, 1969-1970, Volume II, Physical, Chemical and Geographical Studies. Alan Hancock Foundations, U. S. C., 1971.
- Legislative Digest and History of Bills of Senate and House of Representatives for Washington State.
- Lindenmuth, et al. Analysis and Model Tests to Determine Forces and Motions of an Oil Retention Boom, Volume I. 1970, AD 702512, US Department of Commerce.
- Lindenmuth, et al. Analysis and Model Tests to Determine Forms and Motions of an Oil Retention Boom, Volume II. 1970, AD 702 513, US Department of Commerce.
- Macklin, J. "Effects of Crude Oil and Bleedwater on Oysters and Aquatic Plants," Progress Report, Texas A&M Research Foundation, 1950.
- Master, Mate and Pilot. October, 1970.
- Milz, E. A. An Evaluation - Oil Spill Control Equipment and Techniques. April 14, 1970.
- Moody's Investor Service. Moody's Industrial Manual, 1970.
- Mungall, J. C. H., and Matthews, J. B. "A Variable-Boundary Numerical Tidal Model," Institute of Marine Science, March 6, 1970.
- Nelson-Smith, A. A Classified Bibliography of Oil Pollution, 1968.
- Newsfont. 25,000 Leading US Corporations. 1970.
- Oberle, F. N. The Role of the Marine Salvor in the Control of Water Pollution, 1969.
- Puget Sound and Approaches, A Literature Survey. University of Washington, Department of Oceanography, 1953.
- Puget Sound Task Force, Pacific Northwest River Basin Committee. Pleasure Boating Study, Puget Sound and Adjacent Waters, 1968.
- Puget Sound Task Force, Pacific Northwest River Basins Commission. Puget Sound and Adjacent Waters, State of Washington, Summary and Appendices I through XV. 1970.

- Puget Sound Tug and Barge and Pac-Mar Services. Puget Sound Oil Spill Response Plan. April 1, 1971.
- Roe, R. W. "Report on Barge 17 Oil Spill," United Transportation Co.
- Scherer, J. "Design Requirements for Booms," 1969.
- Smithsonian Institution. Notices of Research Projects on Oil Spillage on Water.
- Sperry Piedmont Company. Final Report, Lookout Assist Device Feasibility Studies, August 1965.
- Straughan, D. Biological and Oceanographical Survey of the Santa Barbara Channel Oil Spill, 1969-1970, Volume I, Biology and Bacteriology. Alan Hancock Foundation, U. S. C., 1971.
- Texas Instrument, Inc. "Biological Assessment of Diesel Spill, Anacortes, Washington, May 1971 Preliminary Report," June 14, 1971.
- University of California, Santa Barbara. Oil Pollution of the Sea: Selected References, 1970.
- US Army Corps of Engineers. Port Series, US Government Printing Offices.
- US Army Corps of Engineers. Waterborne Commerce of the United States.
- US Department of Commerce. Tidal Currents Table, 1971.
- US Department of Commerce. Statistical Abstract of the United States, 1970.
- US Department of Interior. Pacific Northwest Economic Base Study for Power Markets, 1966.
- US Maritime Commission. A Statistical Analysis of the World's Merchant Fleets.
- US Naval Oceanographic Office. Glossary of Oceanographic Terms, Special Publication 357, 2nd Edition, 1966. US Government Printing Office.
- Washington State Census Board. Population Forecast - State of Washington 1965 - 1985. Department of Commerce and Economic Development, 1966.
- Washington State Department of Fisheries. Groundfish Data Report #9, 1970.
- Washington State Department of Fisheries. 79th Annual Report.
- Washington Department of Fisheries. Plan for Washington State Food Fisheries, 1970.

B. Periodicals (Please see specific endnotes for detailed reference)

Advances in Water Pollution Research

American Waterway Operator, Inc. Weekly Letter.

Boeing News.

Business Week Magazine.

Electronics Design.

Environmental Science & Technology.

Federal Register.

Fordham Law Review.

International Legal Materials.

International Shipbuilding Progress.

Journal of Maritime Law & Commerce.

Limnology & Oceanography.

Marine Law Review.

Marine Biology.

Marine Technology.

Michigan Law Review.

National Geographic Magazine.

Ocean Industry.

Oceanology International.

Remote Sensing of Environment.

Science.

Sea Frontiers.

Sea Secrets.

Seattle Post-Intelligencer.

Seattle Times.

Shipbuilding and Shipping Records.

Standard Oil Company of California.

Time Magazine.

The Journal of the Institute of Navigation.

The MBA Magazine.

Undersea Technology.

US News & World Report.

Wall Street Journal.

Water Pollution Control Federation.

C. Sources of Unpublished Information

American Petroleum Institute.

Atlantic Richfield

Battelle Northwest

Bennett Pollution Controls, Ltd., Vancouver, B. C.

British Petroleum, Technical Development Division.

Chemical Processors, Seattle.

Environmental Protection Agency, Northwest Regional Office.

Esso Research and Engineering Co.

Hallikainen Co., Richmond, California.
